 - Quick Tip: Choose the same meal each day to more easily remember
- Glutamine Select – 2 scoops mixed in 8-16 oz. water and sipped during training

- Mass – 3 with each meal
- Ultra 40 – 3 with each meal

MAXIMUM: The final step in achieving your best ever competition body would be to add in Muscularity and Muscle Synergy (can be substituted for Creatine Select also, if it fits into your budget).
